

## **MANDATORY AUTHOR DECLARATION**

Manuscript title: .....

- I hereby declare that the submitted manuscript has neither been published nor offered for publication to another editor or publishing house.
- Accuracy of applied research procedures and validity of original research. I hereby declare that I am the sole holder of copyright on the said work. In case the manuscript includes any content which is subject to copyright by a third party, I declare that I have obtained their permission to use this content prior to offering the manuscript for publication.
- The research procedures applied during experimental research progressed in accordance with ethical standards and received approval of the ethics review committee.
- I hereby declare that there have been no conflicts of interest related to the topic, origin and publication of this manuscript and I also declare that I have not received any funding for publishing the manuscript from any commercial company or institution.
- By submitting the manuscript I grant Silesian University in Opava permission to publish and distribute the manuscript in the said periodical in printed form and/or online version, and to store and archive the manuscript using simultaneous archiving of the journal's webpage by the WebArchiv service of the Czech National Library, my permission being granted free of charge and for an unlimited period of time.
